“Ordinary is
boring, let’s be
extraordinary...”

Impeccable quality, outstanding craftsmanship.
We are craftsmen taking inspirations from
concept to reality by creating bespoke furniture.
Relentless focus on new materials, engineering
and **overall execution.**

Purposefully Designed Spaces

OWS was established in 2012 in Atlanta GA. We employ over 25 employees in our 50,000sf facility. Our mission is to combine design and engineering to create a new class of furniture.

We specialize in projects that are complex and design driven. Our project managers make it their mission to bring their client's vision to life. From architectural drawings to mental notes, our team can create incredible designs.

Terms & Conditions

Warranty

OWS offers the following warranty against structural defects: Booths 1 year, metal chair 5 year, wood chair 2 year, indoor table 1 year, outdoor furniture 1 year. Does not cover abuse and misuse.

Lead Time (Estimated)

Lead times vary by product, please see details in the notes section of the product. Custom items will extend lead time additional 2 weeks.

Lead Times are from the Date of PO received. Dimensions and materials must be confirmed on PO ("To Be Announced" is not acceptable) in order for production to be set. Delays will impact our ability to deliver. Rush orders are subject to an additional upcharge.

Change orders may be subject to delay and/or additional upcharge.

Order Confirmation

Customer must sign off on order confirmation or else production will not start.

Color Disclaimer

This catalog makes an attempt to accurately depict real colors of stains and finish. However, actual colors may vary. We recommend customers request a sample in this case.

Corner Booths, Wall Benches

We will require drawings to be submitted by the customer showing the layout or any architectural documentation. Dimensions submitted must be verified by the customer. Standard pricing does not include finished backs. Returns are finished.

Damages & Claims

Customer must report damages at the time of delivery. Please note damages on the Bill of Ladings and provide pictures. Do not refuse, call customer service immediately. Damages and shortages reported later than 48 hours will be customer responsibility.

Returns

Please keep all original packaging and pallets to ensure proper return. Customer will be responsible for return freight charges, and 20% restocking fee. Custom Items cannot be returned.

Freight charges

Freight charges are from dock to dock only. Lift-gate is recommendation if shipping directly to customer. Additional services include call prior, delivery appointment, inside delivery, re-delivery, reconsignment. Locations requiring additional charges include: schools, residences, hospitals, schools, country clubs, military bases, and construction sites.

OWS reserves the right to bill the you should any of these additional services be used.

COM (Customer's Own Material):

If OWS purchases customer specified material, customer will be responsible for purchasing remaining yardage.

Prompt Pay Discounts

We offer 2% discount if paid within Net 10 days.

Space Planning

Aisle Widths

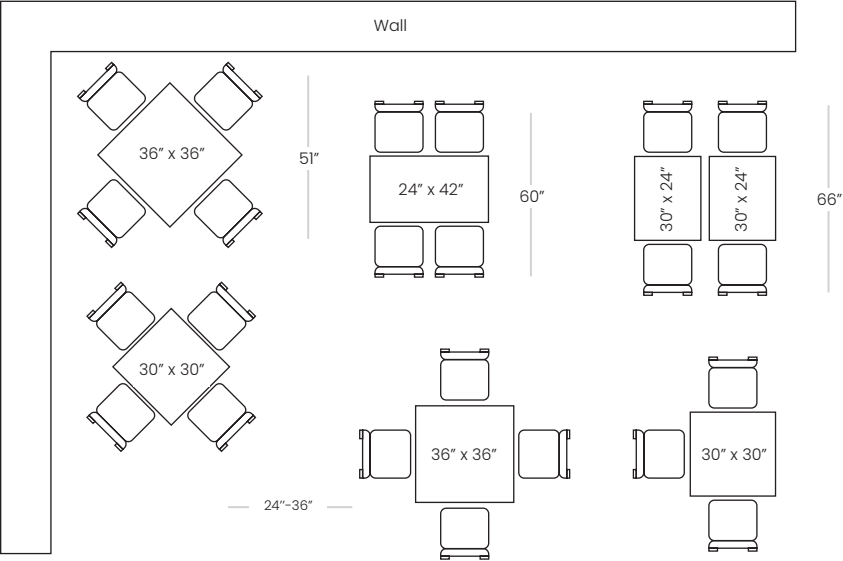

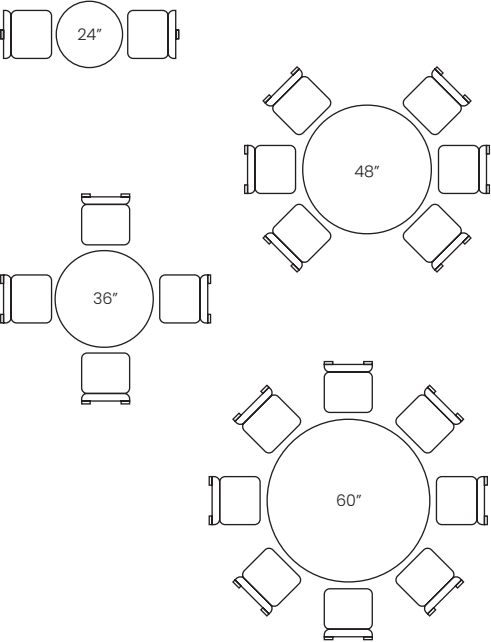

Table Sizes

Space Planning Guidelines:

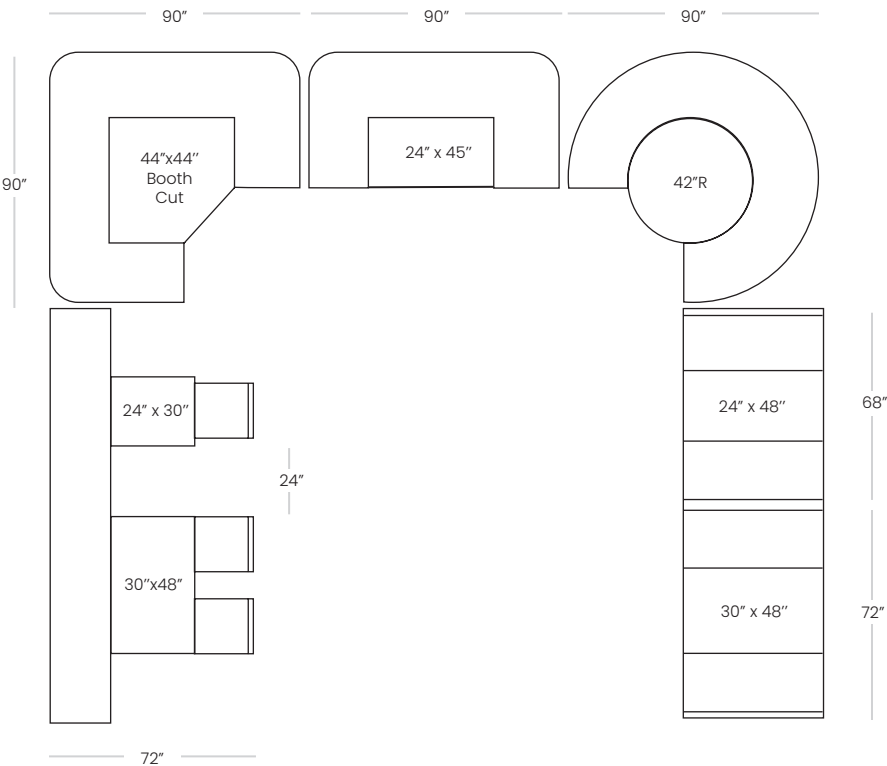

When measuring on site, take off 3" from the net wall to wall dimensions for the finished booth dimensions. Be sure that the net dimensions take into account any wall trim, base board etc.

Note corner booths, u booths, and wall benches have unfinished outside backs. Please verify for windows and exposure.

Use 24" per person as a spacing requirement guideline

Check elevations to make sure booths will sit flush against the wall

Spacing for walkways are typically 24"-36" wide

Warranty & Specifications

TopShield™

Industrial strength catalyzed urethane top coat. 3x-4x the durability of pre-catalyzed lacquer, 2x durability of conversion varnish. High heat, scratch, and chemical resistance per American Hardwoods Association. Table tops protected with TopShield™ will protect the finish against household cleaners such as bleach, windex, alcohol, mustard, etc. Say no more to sticky tables!

Wood Table Care

Wood tables must be cleaned with warm soapy water. Use of bleach, windox, pledge and any household chemicals will damage table.

Do not put hot plates directly on surface. Do not use china with unglazed bottoms or it will scratch surface. Failure to follow guidelines invalidates warranty.

Description: Our solid wood table tops are sourced from environmentally responsible mills in the USA. Wood is electronically kiln dried to 7% to maintain stability and reduce the likelihood of warping and cracking. Our Topshield top coat is a industrial strength finish that withstands foodservice chemicals.

1.25" thick tops will have wood struts for stability. 1.75" tops do not need struts.

Staves are glued up random plank.
